**Horizon Engineering Associates, LLP Strengthens Ohio Presence
Committed to Providing Quality Services**

Westerville, OH – Horizon Engineering Associates, LLP (HEA) is pleased to announce that they have been selected as a prequalified provider of commissioning services for the Ohio School Facilities Commission (OSFC). This is the fourth consecutive year that HEA has been awarded this distinction. HEA will help OSFC create and maintain sustainable, energy efficient facilities.

To further demonstrate their commitment to Ohio, HEA has also opened an office location in Westerville, OH. "We want to be accessible and geographically close to our clients," says Senior Partner, Joseph Lorino. "Our years of experience and proximity further show our dedication to this region."

The new office is located at:
805 Hillsdowne Road, Suite A
Westerville, OH 43081
T: (614) 441-4380
F: (614) 441-4381
